## Office of Developmental Program (ODP)

### Office of Developmental Program (ODP)

#### **PACC is Now Offering Occupational Therapy Services!**

**Occupational Therapy** PACC is now offering Occupational Therapy Services through ODP and the Office of Long Term Living (OLTL) for individuals of all ages. Occupational Therapy encourages rehabilitation through the performance of activities required in daily life. Contact Tyler Kweder at (412) 621-6151 ext. 277 or TKweder@paconnectingcommunities.org

**Transitional Services W1424 1:1** Services directed towards supporting individuals in transition to integrate into competitive employment through work experiences. PA Connecting Communities Transition services can be thought of as bridging the gap between school programs and the opportunities of adult life, including higher education or training, employment, independent living and community participation.

#### **Supportive Employment Services W7235 1:1** 2 components

- 1) Job Support: Some functions of job support include training of individuals in job assignments, periodic follow-up or on-going support. Other activities include support to relearn a job, training to assist individuals to use transportation for work, maintenance of appropriate work behavior while on the job.
- 2) Job Finding: Development of skills; outreach to potential employers; training of job tasks; and other such tasks to assist individual in acquiring a job. Some functions of job finding include interview assistance, employer outreach and orientation, resume preparation, and job skill development.

**Home and Community Habilitation Services W7059 1:3 W7060 1:1** Services to help people gain, maintain, and improve skills that allow them to live and participate in their local community. This service may be made available to individuals in their own home or in other residential or community settings not subject to licensing regulations.

**Behavioral Services: W7095 1:1** Services that specialize in behavioral support for individuals who have challenging behaviors. Support individuals based upon assessment, those with behaviors that prevent an individual from living or working without crisis. The provision includes the training of individuals, staff, relatives and caregivers.

PACC has multiple contracts to offer a variety of services. PACC contracts with The Office of Developmental Programs (ODP), The Office of Vocational Rehabilitation (OVR), The Office of Long Term Living (OLTL), and The Bureau of Autism Services. PACC also accepts private pays for services provided. Contact PACC at (412) 621-6151 for questions.

# Office of Vocational Rehabilitation (OVR)

What is new? PACC has entered a contract with OVR to provide pre-employment transition services for high school students 14 – 21 years of age. This is a new funding source to prepare students for employment and career opportunities.

## **Additional OVR Services for all ages:**

**Evaluations & Assessments** to assess the individuals' skills and interests.

**Job Coaching/Supportive Employment** persons are provided 1:1 staff to assist with job development for obtaining and retaining employment.

**CBWA (Community Based Work Assessment)** allows the individuals to work under supervision with a group of individuals at a community site before being placed on a job.

**PWAT (Personal Work Adjustment Training)** 1:1 staff to assist with short term work experience designed to help an individual develop skills needed to obtain competitive employment including work behavior and social skills.

**Extended Services** beyond the typical 90 day training period.

**PA Connecting Communities turns questions into answers. PACC provides OVR Employment Services & Supportive Employment Services through ODP for career development opportunities. Within the last year PACC has partnered with many local area businesses that are willing to assist you in the path to competitive employment.**

There are several components to Supportive Employment:

- **Job Preparation:** Skill development crucial to finding, building and maintaining a career, such as: Interview assistance, resume preparation, employer outreach and orientation, job searches and public transportation training.
- **Job Preservation:** On the job support to assist with changes in duties or behaviors to help maintain employment.
- **Supportive Employment:** If an individual is deemed non-competitively employable through OVR, they may be eligible to receive Support Employment Services through waivers. Contact your Support Coordinator.

**Lindsey Marchlewski**  
(412)621-6151 ext. 209  
lmarchlewski@paconnectingcommunities.org

## Office of Long-Term Living

**Supportive Employment:** Services to provide on-going supports that enable participants to perform in a regular, integrated, competitive work setting. May include assisting to locate a job or develop a job as well as support to maintain a job.

---

### **Our Mission**

## HOME & COMMUNITY DAY SERVICES

Welcome to PACC's Home and Community Day Service Program. We are offering a variety of activities during day hours that emphasize community integration, skill development, socialization, and independence while working towards personal goals. PACC's Home & Community Day Services are open to all individuals with any Home and Community service code, individuals residing in group homes with their provider staff, self-paying individuals, and other agencies. Your individual HAB staff will provide the transportation to any of the events and access may also be available. You may participate in the full start to finish time of any activity, but have the option to arrive later or leave early depending on your personal schedules.

**All outdoor activities subject to change due to weather, for any questions about North Hills Day Services call Penny at 412-332.3914 or email at [pbayer@paconnectingcommunities.org](mailto:pbayer@paconnectingcommunities.org). ## INFORMATION

### Residential Providers:

Did you know PA Connecting Communities can provide services to individuals living in Community Living Arrangements (CLA) homes? PACC can provide individuals with an alternative to traditional licensed day programs and workshops, with 1:1 community integration and goal support as well as the possibility for competitive employment. PACC will work in partnership with the individual and their team members to custom tailor a plan to meet their individual goals while promoting full community integration.
