

# Looking for Cooks!

PACC has partnered with Heartland Hospice to volunteer cooking meals for their patients. Each volunteer would complete a 2 hour training session on meal preparation, completing the volunteer packet, getting a picture id/name badge and setting a schedule. Both client and PACC Hab Aide would be trained as a volunteer.

All meals will be prepared at the PACC office and one of the Heartland employees will pick up the meal and deliver it to the patient. There is a volunteer hour sheet that must be completed and left with the meal for Heartland's records.

We would like to provide 2 meals a month and have rotating volunteers. The recipe and "meal starter kit" would be at the office and you would coordinate a monthly schedule with Wendy on the days/times you would like to prepare a meal.

If you are interested, please email Wendy at [wjankowski@paconnectingcommunities.org](mailto:wjankowski@paconnectingcommunities.org) so we can set up a training session with Heartland. Thank you.
