## PACC Behavioral Services

Are you or someone you know struggling with difficult behaviors or has a hard time communicating their feelings? Having a tough time adjusting to post COVID-19 world? Struggling with social anxiety or other hard to manage feelings? PA Connecting Communities offers behavioral services to individuals and families who are struggling with problem behaviors by offering them a full spectrum of Behavioral Support Services. As part of the support team, the behaviorist will identify triggers and help create a plan that best suits what the individual needs.

### **PACC Behaviorists:**

- Evaluate current care plans with the client's support team, including family and guardians, parents, and other staff who work with the individual.
- Assist individuals, families, and staff in recognizing and treating mental health disorders and addressing social and behavioral challenges.
- Work as a team to provide families and staff with the most efficient and effective treatment plans and strategies.
- Work with the support team to treat and manage clients with chronic emotional and behavioral problems.
- Help identify additional supports and refer eligible clients.
- Create plans to prevent the continued psychological or physical deterioration of at-risk individuals.

These clinical services are funded through either the Office of Developmental Programming (ODP) or Bureau of Autism Services (BAS). At PACC, we specialize in tailoring behavioral supports to best meet each individual's needs.

**To refer or discuss the needs of a client, please contact our Director of Behavioral Services, Valerie Lavalley at [VLavalley@pacc.org](mailto:VLavalley@pacc.org)**

## Office of Vocational Rehabilitation (OVR)

What is new? PACC has entered a contract with OVR to provide pre-employment transition services for high school students 14 – 21 years of age. This is a new funding source to prepare students for employment and career opportunities.

### **Additional OVR Services for all ages:**

**Vocational Evaluations** to assess the individuals' skills and interests. This can be completed in our Vocational Assessment Center.

**Job Coaching** persons are provided 1:1 staff to assist with job development for obtaining and retaining employment.

**CBWA (Community Based Work Assessment)** allows the individuals to work under supervision with a group of individuals at a community site before being placed on a job.

**PETS (Pre-Employment Transition Service)** – PACC had a PETS agreement to provide the work based learning experience (WBLE).

**Work Based Learning Experiences (WBLE)** – A WBLE is an experience that includes job supports at a temporary, seasonal or summer job for a youth that may or may not be consistent with the youth's long term employment goal. A WBLE is intended to document student strengths and limitations, teach students soft skills, and provide opportunities to explore careers of interest.

**Job Shadowing** - Experience in an occupation of interest within a community integrated setting. A Job Coach works with employers of interest and arranges for student to observe employees on a jobsite to obtain an overview of the work environment, tasks, and abilities required for the field of interest."

**Extended Services** beyond the typical 90 day training period.

**PA Connecting Communities turns questions into answers. PACC provides OVR Employment Services & Supportive Employment Services through ODP for career development opportunities. Within the last year PACC has partnered with many local area businesses that are willing to assist you in the path to competitive employment.**

There are several components to Supportive Employment:

- **Job Preparation:** Skill development crucial to finding, building and maintaining a career, such as: Interview assistance, resume preparation, employer outreach and orientation, job searches and public transportation training.
- **Job Preservation:** On the job support to assist with changes in duties or behaviors to help maintain employment.

## **Make Every Dollar Count!**

PACC's Transition Services program is an approved Education Improvement activity in Pennsylvania, which makes donors to the program eligible for PA state tax credits through the Education Improvement Tax Credit (EITC) Program. S-Corporations, Partnerships, LLCs, and C-Corporations who pay Pennsylvania taxes are eligible businesses and may apply. Applications must be submitted electronically using DCED's Single Application for Assistance.
