#### **Supportive Employment**

- 1) Job Coaching and Support: Some functions of job support include training of individuals in job assignments, periodic follow-up or ongoing support. Other activities include support to relearn a job, training to assist individuals to use transportation for work, maintenance of appropriate work behavior while on the job.
- 2) Job Finding and Development: Development of skills; outreach to potential employers; training of job tasks; and other such tasks to assist individual in acquiring a job. Some functions of job finding include interview assistance, employer outreach and orientation, resume preparation, and job skill development.
- 3) Career Assessment: A service that consists of gathering and reviewing individuals interests, skills, and work/volunteer history. We also conduct assessments to assess individual's interest and aptitude in a specific job while identifying types of jobs in the community that match interests, strengths, and skills. We also assist with developing a career assessment report with recommendations that address needs, interests, strengths, and characteristics of specific work environments.
- 4) Supportive Employment Services W9794 H2023 W7235: If an individual is deemed non-competitively employable through OVR, they may be eligible to receive Support Employment Services through waivers. Contact your Support Coordinator.

**Home and Community Habilitation Services W7060 1:1 W7059:** Services to help people gain, maintain, and improve skills that allow them to live and participate in their local community. This service may be made available to individuals in their own home or in other residential or community settings not subject to licensing regulations. Participants that utilize the group code can work on friendship building and socializing/outings with a buddy, peer, and friend in a group of 2. For more information on home and community habilitation services, contact our Executive Director of Home and Community Services/ Assistant Executive Director, Darlene Zukowski at (412) 621-6151 ext. 2003 or cell (412) 608-8404 or email her at DZukowski@pacc.org

**Community Participation Services 100% CPS W5996 W5993 W9351:** PACC offers 100% Community Participation supports. PA Connecting Communities can provide services for people living in private homes, or supportive living arrangements, including transportation to and from participant home or another agreed upon location. We provide our participants with an opportunity to live 'Everyday Lives' by encouraging social activities, friendships, and community inclusion and is a great alternative to traditional day programs and workshops. Each consumer will have an individualized Community Participation Plan based on their goals, wants and needs. For more information on our Community Participation Services, contact our Community Participation Liaison, Joel Stein at (412) 621-6151 ext.2010 or JStein@pacc.org

**Behavioral Services W7095:** Services that specialize in behavioral support for individuals who have challenging behaviors. Support individuals based upon assessment, those with behaviors that prevent an individual from living or working without crisis. The provision includes the training of individuals, staff, relatives and caregivers. For more information on our Behavioral Services, contact our Director of Behavioral Services, Valerie Lavalle at VLavalle@pacc.org

PACC has multiple contracts to offer a variety of services. PACC contracts with The Office of Developmental Programs (ODP), The Office of Vocational Rehabilitation (OVR) and The Office of Long Term Living (OLTL). PACC also accepts private pays for services provided. Contact PACC at (412) 621-6151 for questions.

PA Connecting Communities™

## PACC Behavioral Services

Are you or someone you know struggling with difficult behaviors or has a hard time communicating their feelings? Having a tough time adjusting to post COVID-19 world? Struggling with social anxiety or other hard to manage feelings? PA Connecting Communities offers behavioral services to individuals and families who are struggling with problem behaviors by offering them a full spectrum of Behavioral Support Services. As part of the support team, the behaviorist will identify triggers and help create a plan that best suits what the individual needs.

### PACC Behaviorists:

- Evaluate current care plans with the client's support team, including family and guardians, parents, and other staff who work with the individual.
- Assist individuals, families, and staff in recognizing and treating mental health disorders and addressing social and behavioral challenges.
- Work as a team to provide families and staff with the most efficient and effective treatment plans and strategies.
- Work with the support team to treat and manage clients with chronic emotional and behavioral problems.
- Help identify additional supports and refer eligible clients.
- Create plans to prevent the continued psychological or physical deterioration of at-risk individuals.

To refer or discuss the needs of a client, please contact our  
Director of Behavioral Services, Valerie Lavalley at [VLavalley@pacc.org](mailto:VLavalley@pacc.org)

## PACC Residential Services

PA Connecting Communities (PACC) is now a licensed provider for Residential Services opening community homes in Allegheny, Beaver, and Butler Counties. Each home will provide full staffing, transportation, and access to PACC events and programs, pre-vocational & employment opportunities, and access to their community. Each home will be beautifully maintained and represent PACC's mission to empower people with disabilities and connect each person to their community. Homes will have 1 – 4 roommates.

Eligible candidates to move into a PACC Residential home must have their consolidated waiver. For more information on PACC's Residential Services contact:

Scott Sennet Director of Residential Services [SSennet@pacc.org](mailto:SSennet@pacc.org)

## Office of Vocational Rehabilitation (OVR)

What is new? PACC has entered a contract with OVR to provide pre-employment transition services for high school students 14 – 21 years of age. This is a new funding source to prepare students for employment and career opportunities.

### **Additional OVR Services for all ages:**

**Vocational Evaluations** to assess the individuals' skills and interests. This can be completed in our Vocational Assessment Center.

**Job Coaching** persons are provided 1:1 staff to assist with job development for obtaining and retaining employment.

**CBWA (Community Based Work Assessment)** allows the individuals to work under supervision with a group of individuals at a community site before being placed on a job.

**PETS (Pre-Employment Transition Service)** – PACC had a PETS agreement to provide the work based learning experience (WBLE).

**Work Based Learning Experiences (WBLE)** – A WBLE is an experience that includes job supports at a temporary, seasonal or summer job for a youth that may or may not be consistent with the youth's long term employment goal. A WBLE is intended to document student strengths and limitations, teach students soft skills, and provide opportunities to explore careers of interest.

**Job Shadowing** - Experience in an occupation of interest within a community integrated setting. A Job Coach works with employers of interest and arranges for student to observe employees on a jobsite to obtain an overview of the work environment, tasks, and abilities required for the field of interest."

**Extended Services** beyond the typical 90 day training period.

**PA Connecting Communities turns questions into answers. PACC provides OVR Employment Services & Supportive Employment Services through ODP for career development opportunities. Within the last year PACC has partnered with many local area businesses that are willing to assist you in the path to competitive employment.**

There are several components to Supportive Employment:

- **Job Preparation:** Skill development crucial to finding, building and maintaining a career, such as: Interview assistance, resume preparation, employer outreach and orientation, job searches and public transportation training.
- **Job Preservation:** On the job support to assist with changes in duties or behaviors to help maintain employment.
