## LETTER FROM OUR CEO

April 30, 2026

Spring Greetings PACC Family & Friends!

I don't know about you but for me the quarterly release of the Yellow Book is always a happy time! We get to review new seasonal activities, choose where we want to go and plan to spend time with our friends. I'm sure it's hard to imagine how we could make the Yellow Book experience even better, but Jenn has a plan! Look for exciting changes to the Yellow Book beginning this fall, but that's not all.

PACC is always thinking, planning, and looking ahead to ensure a bright and stable future for those we serve. Our new residential program will continue to expand, and we'll be working to improve all programs and services through reorganization and technology upgrades over the next two years. We'll work to raise awareness about PACC and to launch fundraising campaigns that will cover the cost of these improvements. I'm currently working with PACC's Board of Directors and staff leadership team to create a 5-year strategic plan to guide us through this work.

Keep up to date on PACC's transformational work by visiting our website regularly, following us on social media, and signing up for PACCNews. You can sign up for PACCNews, ask questions and share your ideas by emailing [campaigns@pacc.org](mailto:campaigns@pacc.org). I hope to hear from you!

As a reminder to everyone who either receives or supports someone who receives Medicaid, stay alert for a pink envelope that will arrive in the mail. If you participate in additional programs, you will receive Medicaid renewal forms for each service, so several pink envelopes could arrive via regular mail at varying times. You must complete the renewal every year for each service received. Please let us know if you have any questions.

Please also enjoy the fun outdoor activities PACC has scheduled throughout the spring and summer seasons. Send photos to [campaigns@pacc.org](mailto:campaigns@pacc.org) and we'll feature them in the summer edition of PACCNews!

Yours in Service,

A handwritten signature in cursive script that reads "Kelly O'Malley".

Kelly O'Malley, CEO

## EXTENDED SCHOOL YEAR

PROGRAM

### ESY Program Overview

The ESY Program is offered throughout the summer. Your one-on-one staff will schedule your time needed Monday through Friday, transportation is included.

### What is ESY and Who is Eligible?

Extended School Year (ESY) is a program specifically designed for students with disabilities, extending beyond the standard 180-day academic year. The primary goal of this initiative is to prevent the loss of vital skills during school breaks. Each year, the student's eligibility is evaluated by their IEP team, and is addressed for every child with a disability during the IEP meeting.

- The program is fully customizable to cater to each student's IEP goals, and personal interests
- Functional reading and math skills and online safety are integrated throughout the program
- The CMH camp portion of the ESY program is offered at the Connecting Me Home house (CMH). The camp dates are June 22- July 30, Monday - Thursday from 9:00 a.m to 2:00 P.M, pending school district approval.
- School districts will cover the cost of the ESY program, so there is no cost to you!
